Please could parents support the school's efforts to promote healthy enjoyable eating which will give the children the energy that they need to learn and play at school.

Please could parents avoid packed lunches containing chocolate, biscuits, sweets, salted savoury snacks and fizzy drinks. **Could parents refrain from sending any type of nuts, including peanut butter and Nutella, as some of our children have allergies that can be triggered even by the least amount of contact with nut products.**

School Meals

Any changes to school meal requirements need to be notified in writing/email by Friday 7th April

We have had some understandable concerns raised regarding obstructed access to the school gates. Could parents please keep the school entrance clear for children and parents to use the pathway and pavement at the start and end of the school day and remember that there should be no dogs on school grounds.

Spring Diary Dates for church

Visits to church are planned for the following dates and parents are welcome to join us for any of these services.

Punctuality

Please could we remind parents that school gates close and school **begins** at 8:55am. When children arrive well after this time it can be unsettling for them and disruptive to the class. Please help us to establish good life skills, such as punctuality, with our children to ensure the best preparation for their futures. As a matter of protocol, if any children are absent, please contact school as soon as possible. It is one of our procedures to call the contacts in our records after 9:30am. to find out reasons for any absences.
