Summer Term 4

School Uniform

From September, blue or white shirts or blouses, with our school tie, will be the required uniform for all ages.

POLO SHIRTS WILL NO LONGER BE PART OF SCHOOL UNIFORM.

Summer dresses are still part of school uniform policy. We trust this will give sufficient notice for shirts/blouses to replace any outgrown polo shirts still worn by any of our children. Thank you.

£1.40 per day, (£7.00 per week)

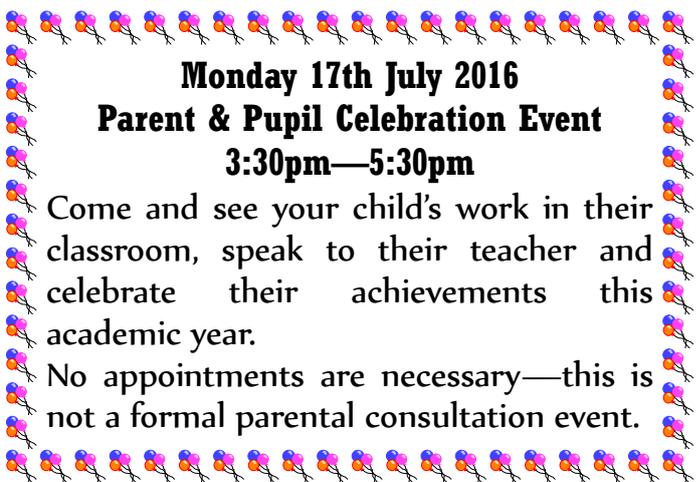

£46.20 to October half term

£102.20 for Autumn Term

KS2 SNACKS WILL BE £22 FOR AUTUMN TERM

From time to time, incidents occur during the school day that parents would like to ask about. Staff are always willing to speak to parents as it is always preferable to sort these out as soon as possible. Nevertheless, could parents please refrain from using the Yr3/4 or Yr5/6 entrances to see our teachers. Please come into the main entrance and request, via the office, to speak to the teachers. Thank you

If any parents have any unused 'building material'—bricks with holes in, short pieces of guttering, tubing and piping, small amounts of rubble etc, we are starting to build our bug hotels and hedgehog hides with the donated pallets in readiness for the end of summer / start of hibernation. Also, any bird nesting boxes would be gratefully received. Have a look on YouTube for the types of materials and final product that we are after. Many thanks, as always.

MACMILLAN NURSES

For a final fundraising effort this academic year—and as we continue to remember those touched by the effects of cancer in our St Andrew's family—we are having a Macmillan Nurses assembly on **Thursday 13th July**.

On **Friday 14th July** we will have a non-uniform 'wear something green' day. We are asking for **donations and contributions** to sponsor Mrs Dodsworth who is undertaking the mammoth task of competing in the Iron Man UK event on Sunday 16th July in support of this wonderful cause.

When asked, simply, 'Why?' she replied, 'To help those who are less fortunate is a massive drive. Having my St Andrew's family support and understanding of what a different Macmillan Nurses make will keep me going and drive me to the finish line.'

Please remember that this is also Climbing Wall Day for Years 2 to 6 so any clothing and foot wear should be appropriate (no earrings please).

Medical forms

REMINDER :- Could parents remember that school will only administer **prescribed medication** on completion of a medical form. Any medicines coming in to school should be sent directly to the school office and not in children's bags. Our Medicines Policy is available on our website. Thank you.

PLEASE COULD WE REMIND PARENTS THAT WE AIM TO BE A NUT FREE SCHOOL DUE TO A NUMBER OF CHILDREN WITH ALLERGIES. PLEASE AVOID NUT PRODUCTS IN LUNCH BOXES. THANK YOU

As always, I would like to thank all parents for their continued support throughout the year. Especially after the events of this term, the teachers and adults who work alongside our children deserve our gratitude for their dedication and hard work. We would like to especially thank Mrs Jones and wish her every happiness in her retirement.

We mustn't forget to thank our governors and parishioners for their help in ensuring that we deliver a broad and balanced curriculum. A very special thanks to Mr Mike Jeffries who has retired from his role as Chair of Governors and to Mr Colin Higson who takes on the role at the start of the academic year. Have a lovely summer. God Bless! *Simon Charnock (Headteacher)*

WEB SITE UPDATE

A display board in the main entrance allows parents and children to have their say on what our new website should look like and contain. We'd like feedback on what you want to be more easily accessible, good examples found from other schools, information you'd like to see which is not already available.

We are also in the process of developing a school app to aid communication rather than the Teachers2Parents text service. The app will allow us to reach more parents, family and friends.

IT'S BACK!!!!

EXTREME READING

Last year, we asked the children to bring in any photographs of them reading in weird and wonderful places. Unfortunately, we didn't receive as many as the year before so let's try again!

We've still got a great display of these in the junior library but would like to update it. What a perfect opportunity as the summer holidays approach and children have the freedom to travel to the far reaches of Bolton, the U.K. and even the world! Please email the office any pictures taken over the summer or send them in when the new school year begins. Thanks.
