

History/Geography Learning Challenge – Y3 – Autumn 2 – What makes the Earth angry?

<p>Geography/ History Link</p>	<ul style="list-style-type: none"> • Pupils to be taught physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle
<p>English Link</p>	<ul style="list-style-type: none"> • Children will be asked to research volcanoes in the world and pin point them onto a world map. • Children will be asked to think of a range of questions they would like to ask an Icelandic child. These will be emailed or asked during a video conferencing session. • Children will be asked to research earthquakes and tsunamis and write about them in a Learning Challenge journal. • Children will link with children who have experienced flooding. Again opportunities could be made for video conferencing or emailing (children in Japan).
<p>Maths Link</p>	<ul style="list-style-type: none"> • LC4 provides opportunities for scale work. <p>LC4 - What causes an earthquake (and a tsunami) and how are they measured?</p>
<p>Creative Art Link</p>	<ul style="list-style-type: none"> • Children will be provided with an opportunity to design and make a volcano and then they will need to think of a way of making it erupt.
<p>Expressive Art Link</p>	<ul style="list-style-type: none"> • During LC7 there will be opportunities for children to create some music which will be used as part of their reflection presentations. Possibly Peter Grimes. <p>LC7 - How can we capture a stormy weather pattern using music, drama and dance?</p>
