Yr4	14/2/24	✓	12/6/24
Yr5	28/2/24	✓	5/6/24

There are an increasing number of children wearing Smart Watches in school and we are, therefore, experiencing an increasing number of safeguarding and privacy concerns because of this. They are also an added distraction to the children during lessons and it is very difficult to monitor that they are used appropriately at break times. Please could children not wear any Smart Watches to school, although analogue and digital watches that simply tell the time are still permitted. Thank you for your support .

Please could you ensure that all children who bring a packed lunch to school, do so in a named lunch box or container and not in plastic carrier bags. Could we also remind parents and carers that we have an increasing number of pupils and adults who have nut allergies and, therefore, strive to be a 'Nut Free' school.

This also applies to KS2 snacks which should be fruit or toast from home. Thank you for your understanding and co-operation with this matter.

Drop off and pick up safety
 Please could parents and carers of KS1 children ensure that they are brought into, and collected from, inside the school grounds (KS1 playground) at the start and end of the school day.
 Please could KS2 pupils not arrive before 8:40am. We ask the children to return inside school if there is no-one to pick them up at the end of the day and that they do not leave school with friends and neighbours unless it has been agreed and arranged. Although this may be done with good intentions, doing so can cause undue concern and worry if children are not at school as expected at collection time.
 Please contact school if there is any delay at the end of the day. Thank you.

Out of School Tax Free Child Care

If you or your partner both work and earn between minimum wage and £100,000 per year, you are probably eligible to **save 25%** on Childcare costs with HMRC Tax Free Childcare.

It is very easy to apply and school have already registered. Each month you add funds to your HMRC account and **for every £8 you pay, they give you a £2 top up**. Payments are then made direct to school by HMRC.

It is quick and easy to upload the voucher to school Spider, and then book in to sessions in exactly the same way as we have always done but instead of paying by card, you use your voucher credit. You can cancel sessions for a refund back to your voucher or make changes up to 24 hours prior to the session just like paying by card. For more information please visit <https://www.gov.uk/tax-free-childcare>

Information is also available on the Out of School Club page on the school web site

WOW is a pupil-led initiative where children self-report how they get to school every day using an interactive **WOW Travel Tracker**. If they travel sustainably (walk/wheel, cycle or scoot) once a week for a month, they get rewarded with a badge (see below). **It's that easy!**

With the aim of living a healthier lifestyle, both physically and emotionally as well as considering the benefits to our environment is something that we are encouraging but understand that some families live too far for this to be sensibly possible. So for these families, we suggest a Park and Stride system where the St Andrew's Church could be used, The Red Lion Pub have kindly agreed that their car park could be used or even some of the residential streets that are close to school—with the usual consideration paid to the residents who live there.
