

St Andrew's C.E. Primary School

Behaviour and Sanctions Policy

MISSION STATEMENT

Growing in Faith Hope and Love

We believe that St. Andrew's C.E. Primary School exists to provide life's main opportunities for our children guided by and learning from the example and teaching of Jesus Christ.

These opportunities come from an ethos and curriculum that provide maximum learning experiences for each individual child, no matter what their particular learning abilities may be.

We will aspire to a curriculum which results in the enjoyment of learning, children who feel good about themselves and in which everyone can be good at something. We will encourage pupils to show tolerance and respect for each other, set themselves high standards, to take pride in their work and do their best.

We will provide curriculum enrichment activities including first hand experiences, creative opportunities, visits and visitors.

We will offer every child the chance to achieve as much as they are able.

We will achieve high standards for all children, giving them secure foundations for future learning and success in life.

Introduction

Our policy is based on the belief that:

- Good behaviour is not automatically learned but needs to be taught and supported by parents.
- Classroom behaviour can change and that we as teachers can assist children to manage their behaviour more effectively.
- A child with problems is the school's problem not an individual teacher's problem.

Aims

- For staff to project themselves as good role models, co-operating and supporting one another, and treating colleagues and pupils with courtesy, consideration and respect.
- For staff to have a high standard of pupil expectation in all aspects of work.
- For staff to try to raise the levels of pupils' self-esteem.
- To provide a broad, balanced and differentiated curriculum which is both interesting and relevant.
- To provide a varied range of teaching and learning styles to suit the needs of pupils.
- To provide an attractive learning environment and quality resources.
- To track pupil progress, set challenging though achievable targets and support children in achieving them, so that children know their efforts are valued and that progress matters.
- To encourage children to accept varying degrees of responsibility, both in and out of the classroom with the purpose of promoting independence, self-reliance and trustworthiness.

- To make provision for a happy working atmosphere in school by promoting the pastoral care of children, with staff giving support and guidance to each individual child.
- To consistently and fairly implement reward and sanctions systems.
- To encourage school/parental partnership, to promote children's education and maintain standards of behaviour.

Other relevant documentation :Anti Bullying Policy, Single Equality Policy, Lunchtime Policy, Special Needs Policy, Attendance Policy, Marking Policy, Physical Restraint Policy, Home School Agreement.

We have one simple rule – **'Treat all others as we would like to be treated ourselves.'**

We aim to create a school which upholds these values and recognise that we, the staff, have a clear leadership role in upholding them ourselves and visibly demonstrating them through our own behaviour in school. We recognise that the expectations of behaviour must be made tangible, in particular settings, for pupils. This policy should also be read alongside the school Parental Involvement and Positive Communication Policies

Our purpose is:-

- to maintain levels of good behaviour
- to provide a consistent approach in rewarding good behaviour
- to provide a consistent approach in responding to unacceptable behaviour
- to ensure that behaviour does not inhibit learning or impede potential.

The Teacher's Role

Teachers need to establish consistent levels of acceptable behaviour with the support of parents, governors and management. Positive expectations, praise and reward are the key to successful classroom management. Pupils need to know how to make good choices. They need to receive consistent positive encouragement as means of motivation. They need to be taught to manage their own behaviour.

Teacher's need to recognize that effective conditions for learning: (planning, pitch, pace, participation etc) will impact positively on general classroom behaviour.

Assertive Mentoring

'Attitude' is carefully tracked at least termly. This includes attendance, punctuality, behaviour, effort, homework and uniform. Each area is colour coded: Green-excellent/very good, Yellow-acceptable/satisfactory, Red-unacceptable. Targets and support are agreed where necessary.

Rules

There are, therefore, basic rules:-

In class:-

- to be set by class teacher at the beginning of the year and to be displayed clearly in each classroom.
- From Year 1 to Year 6 the Trackit system enables any member of staff to reward any child in school easily and immediately, with a particular focus on the school's Christian Values

In the playground:-

- to follow instructions;
- to play fairly, without aggression;
- to wait quietly when asked;
- to keep hands, feet and objects to oneself.

In assembly:-

- to go in and out of the hall as quietly as possible.

School routines:-

- to walk at all times;
- to put coats and belongings in the right place;
- to line up quietly;
- to keep hands, feet and objects to oneself.

These rules are discussed, developed and agreed with the children on their 'moving up morning' so that none are too difficult and that they are meaningful. They are clearly displayed in classes and children will be reminded of them regularly. Reminders of other expected behaviour is displayed around school e.g. in cloakrooms. They are all designed to develop courtesy, good manners and mutual respect. They are to protect children from injury, to care for equipment and to maintain a hygienic, healthy environment. It is essential that parents and teachers work together through discussion and action on any problems which develop.

Our Listening Code

When I am asked for my attention, I...:

Stop what I am doing
 Empty hands/show me five
 Look at the teacher
 Keep quiet and still
 Listen to instructions

End of Break Code

When I am asked to return to class, I...:

Walk I to school
 Leave space between each other
 Keep my hands and my feet to myself
 Keep quiet
 Listen to instructions

We have specific rules being enforced on the grounds of health, welfare and safety

a. Food and drink

Fruit is provided in Key Stage 1 through the National Fruit Scheme. Other than fruit and packed lunches, no food of any kind should be brought into school (unless on medical grounds) including sweets, biscuits and fizzy drinks. Key Stage 2 can purchase snacks from the school kitchen eg toast, waffles or bring in fruit or toast from home.

b. Jewellery

No items of jewellery except watches which may be worn at school. Covering new earrings with plasters is not an option as they must be removed during P.E. and swimming lessons, or children cannot participate. Watches are the responsibility of the pupil and must be removed for all PE and sporting activities.

Reasons: Rings, necklaces, bracelets etc can turn a minor incident into a major accident if caught on apparatus or entangled in another child's clothing or hair. Even stud earrings have the potential to cause severe tears to the wearer's ears or injury to others.

c. PE Kit

Appropriate clothing must be worn for all PE activity and the school now has a PE uniform, in which they attend school in for the full day on their timetabled PE days

Kit:- White polo shirt, school cardigan or sweatshirt, plain black tracksuit bottoms, leggings or shorts, trainers

Indoors:- Bare feet or plimsolls which can be kept in school in a PE bag on the child's coat hook.

Reasons: It is dangerous to go on the apparatus wearing trainers or similar footwear because it is more difficult to feel. A combination of bare feet and trainers, etc. can result in trampled toes and damaged nails.

d School Clothing

We have a school uniform of which we believe encourages and promotes an identity and pride in school and prevents discrimination. All children are expected to wear school uniform. Uniform may be purchased from the school office. Parents are asked to send their children to school tidy and appropriately dressed for the weather of the day. Only flat-heeled shoes should be worn. Hair bands

should be simple and discreet in an unobtrusive colour. No hair colours are allowed. Please avoid extreme hair styles such as any shaved patterns or mohicans.

Reasons: Slip on shoes or laced shoes even with small heels are not suitable for games lessons. They provide insufficient grip, may cause injury to others if kicked off and often lead to twisted ankles

The overwhelming majority of parents, staff and children expressed their preference for a school uniform. School uniform reinforces school identity and eliminates 'brand' fashion and stigma. High heel shoes and boots are unsafe for the school environment

e. **Personal property**

The school cannot accept responsibility for the loss or damage to clothing or personal property.

Toys, games and sports equipment must not be brought to school (except on special occasions when the teacher gives permission). Any money brought into school should be handed in as soon as possible and never left in trays, bags or coats.

Reasons: Suitable toys, games and sports equipment are provided for the playground and indoor play. Unsuitable equipment may present a risk to children and present the potential for theft.

f. **Mobile Phones**

Mobile phones can only be brought to school in exceptional circumstances and only with the prior permission of the class teacher.

Parents who insist that children require a mobile phone during school hours i.e. for the journey to and from school must express these reasons in their request to the teacher in writing. Such requests will be considered on an individual basis.

If permission is granted mobile phones must be handed in to a member of staff upon arrival and collected at the end of the school day. They should never be left in trays or coats or used during school hours.

Reasons: During school hours contact is possible through the school's land lines. They present an unacceptable disturbance to lessons, potential for theft and online bullying.

Behaviour Guidelines and Procedures
--

Each teacher has their own methods of ensuring good behaviour and preferred classroom management techniques. There may be occasions when it is necessary to use a raised voice i.e. in order to re-establish control, be heard on the playground etc.

No child should ever be 'sent to the head teacher' on their own as a sanction, as there is no guarantee that the child will arrive or that the head will be available. If, in exceptional circumstances, a child needs to be removed from class or refuses to go to isolation, the head teacher should be sent for. If unavailable, the deputy or most senior staff member available should be called.

Our 'Physical Restraint Policy' clearly defines what is and is not acceptable practice should physical intervention be required. It is vital that any such intervention be reported and recorded. Staff are trained in 'Team Teach' for safe handling and de-escalation techniques.

If a child should leave the school premises for whatever reason, staff should not overreact and must never run after them. They may be placing a child in greater danger by doing so. The head teacher should be informed immediately and lessons returned to normal as quickly as possible.

In most cases the child will remain on site, stay within visual contact or quickly return. Once the child has calmed down, the head or appropriate staff member, will attempt to approach the child and calmly persuade him/her to return to school and discuss the situation.

If the child refuses or leaves the site, parents should be informed immediately and asked if they would like the police informing. If parents and emergency contacts are unavailable the police should be informed directly. Upon returning to school it must be made clear to the child that there is no

justification for leaving the premises and alternative strategies explained and discussed i.e. voluntary 'Time Out'. As well as trying to solve the cause of the problem, the child must be left in no doubt as to the dangers they are exposing themselves to and how seriously the school views this behaviour.

Fixed-term and permanent exclusions

We do not wish to exclude any child from school, but sometimes this may be necessary. Only the Head teacher has the power to exclude a child from school. Decisions will be made by taking into account all the circumstances, the evidence available and the need to balance the interests of the pupil against those of the whole school community. The Head teacher may exclude a child for one or more fixed periods. In extreme and exceptional circumstances, the Head teacher may exclude a child permanently. It is also possible for the Head teacher to convert a fixed-term exclusion into a permanent exclusion, if the circumstances warrant this. If the Head teacher excludes a child, they will inform the parents immediately, giving reasons for the exclusion. At the same time, the Head teacher makes it clear to the parents that they can, if they wish, appeal against the decision to the governing body. The school informs the parents how to make any such appeal.

Movement in and around School

All movement in and around school should be purposeful. Staff should see that all children are suitably supervised when moving around the school. Expectations of behaviour of children sent around the school with messages or to show good work should be clearly stated and frequently reinforced by appropriate rewards when followed (refer to Rewards).

Children not behaving appropriately should be encouraged to do so; reminded of what is expected or face sanctions for repeated lapses (see Sanctions).

Example: If observed running, a child should be sent back to a stated point and be observed to walk correctly, accompanied by positive verbal feedback by the teacher or other adult such as 'There you are, you can walk sensibly. Well done!' and 'Please walk' rather than 'Don't run' etc.

If observed running with a total disregard for other people or displayed work then sanctions should be brought to play (see Sanctions).

Children observed behaving appropriately, politely and considerately, i.e. holding doors, lining up quietly etc, should be thanked, praised or rewarded as appropriate (as class rewards differ)

Playtime Supervision

Teachers and teaching assistants are required to perform supervisory duties including playtime supervision.

A minimum of two staff members are required to supervise playtimes for each department. Supply teachers could cover the duty of absent teachers but should never be without support. It is more appropriate to make arrangements with a colleague.

No hot drinks should be taken outside the staff room and/or onto the playground unless in lidded 'travel' cups/mugs

All staff should be fully aware of playtime procedures, rules, sanctions and rewards and apply them consistently.

When on duty, staff should circulate and take the opportunity to socialize with children from other classes, whilst maintaining an overview of the play area and spotting potential problems before they escalate.

A reminder message is sent five minutes before the end of lunch to inform other staff of the imminent blowing of the whistle whereupon staff should be ready to go to class for when the Lunchtime

supervisors bring them in. If, for whatever reason, the reminder does not come staff should assume that lunchtime will end at the normal time and respond accordingly.

Upon hearing the whistle children should stop what they are doing, stand still and remain quiet. Upon the second whistle they walk to designated lines, joining at the back of the line. Staff send children in a line at a time, ensuring there is no running or congestion. Good behaviour whilst entering school should be reinforced with praise.

In poor weather, duty staff may decide that children should not go outside at break time. In these circumstances teachers remain responsible for the supervision of their own classes. They may decide to work through and allow a later playtime if there is a break in the weather, or allow an indoor playtime with suitable, quiet activities provided for children. It is permissible for teams to share supervision of indoor play allowing teachers a staggered break, provided that departments are never left unsupervised.

In order to influence behaviour when dismissing children at playtime, lunchtime and home time teachers should supervise their own children in the corridor, putting on coats etc. Children are not allowed to remain in the building unsupervised unless they have permission from the class teacher who will ensure that the appropriate provision is in place. Any pupils requiring the toilet at lunch time should wear a 'Permission Band' which ensure that staff on duty are aware of any pupils who are in school

Children may not bring balls or equipment from home for use at playtimes but may use those supplied by the school. Footballs only be used on the bottom KS2 yard or the field in appropriate conditions at the discretion of the duty teachers. The top KS2 patio is a 'running free zone'. Any misuse of playground equipment will lead to confiscation.

Any other behaviour at playtime should be dealt with by the teachers on duty, or reported to a senior member of staff according to severity or frequency.

Any child needing medical attention at playtime will be dealt with by a member of the support staff with first aid training and recorded according to procedure.

After playtime all children can be reminded that playtime is over and that a change in behaviour is expected in and around school (eg indoor voices).

Behaviour Guidelines	Rewards
----------------------	---------

It is very important that praise and reward should have great emphasis. Children will achieve more, be better motivated and behave better, when staff commend and reward their successes rather than focus on their failure.

Praise has a reinforcing and motivational role. It helps a child believe they are valued. Praise can be delivered in formal and informal ways, in public or in private; it can be awarded to individuals or to groups; it can be earned for the steady maintenance of good standards as well as for particular achievements.

Rewards

1) General

- Favourable comments can and should be entered on pieces of work, (see Marking Policy).
- Written School Reports should comment favourably on good work, behaviour, involvement in and general attitude to school life.
- Recognition can be given to success of differing kinds in assemblies, e.g. presentation of swimming and cycling proficiency awards etc.
- Children's work can/should be displayed as much as possible both in the classroom and corridors of the school.
- Opportunities for giving children greater responsibility in school should be fostered e.g. Playtime Buddies, Monitors, Ethos Council etc.
- Above all, praise and encouragement in and out of lessons should be used as much as possible.
- Each class teacher introduces their own reward system each school year based on the Trackit system

2) Whole School Reward System: Trackit

Trackit electronic rewards system above the school has been adopted to ensure a consistent approach for rewarding and encouraging good behaviour,

It is intended to help staff focus on positive rather than negative behaviour e.g. if a child is continuing to stay on task when a partner is trying to distract him, staff may choose to reward the child on task rather than apply a sanction to the child who is not. It is also a system of identifying triggers and patterns of low level behaviour. A smiley is earned if children are not recorded as orange or red in a week. Points are earned for positive behavior and the system generates a random Star of the Week for those who have positive points. Trackit records all children as green at the beginning of each day. They may be moved to yellow as a sanction (see Sanctions Procedure)

The reward system is graded as follows:-

10 Smileys	Bronze Award
20 Smileys	Silver award
30 Smileys	Gold award

- All awards will be presented in whole school assemblies. Commendations and awards are recorded on each child's individual 'Good Behaviour Card'.

At the end of the school year, a reward day (currently known as 'Bouncy Day') will take place where children enjoy a number of fun activities depending on which colour certificate they have earned.

3) Certificates

A weekly Celebration Assembly is dedicated for the praise and recognition of children who have made particularly noteworthy progress for Attainment, Achievement or Attitude.

Behaviour Guidelines	Sanctions
----------------------	-----------

In the use of sanctions, pupils learn from experience to expect fair and consistently applied punishments which differentiate between serious and minor offences. Sanctions are applied consistently by all staff, but with the provision for flexibility to take account of individual circumstances.

Note See also our policy on the 'Physical Restraint Policy'.

- If behaviour results in physical or verbal abuse towards a teacher/adult, a CPOMS report should be completed.

- If physical intervention of any kind is required then a 'Major Incident' record should be completed as soon as possible through CPOMS
- Any other incident deemed 'serious' or resulting in injury should be recorded on CPOMS.

We have an agreed system of sanctions to register disapproval of unacceptable behaviour. Responses range from polite reminders to permanent exclusion, and are intended to:

- Provide clarity and consistency of suitable responses.
- To provide an accurate record of incidents of unacceptable behaviour
- Minimise disruption to others especially teaching and learning time.
- Provide every opportunity for children to correct their own behaviour, make sensible choices and prevent further sanctions being applied.
- Allow early involvement of parents, line managers, SENCO and support agencies.
- Do everything reasonably possible to avoid exclusion from school.

When sanctions are applied, facts should be clearly established by asking 'What happened?' then children should be helped to understand why what they have done is not acceptable. Express your displeasure with the **action** and never the **child** i.e 'That was a silly thing to do because...' and not 'You are a silly boy'.

SANCTIONS PROCEDURE

To ensure consistency through school, the following procedure should be followed if poor behaviour persists in spite of the use of the above. The procedure is not just for poor behaviour in classrooms. Poor behaviour in the assembly, whilst eating lunch, during breaktimes etc will be reported to the class teacher and will lead to the appropriate steps in procedure being taken. Once this procedure is initiated, it should be followed through.

Each class uses the 'Trackit' system. All children begin on 'green' each day.

Step 1

Verbal warning.

Step 2

Moved into yellow with a reason for it explained.

Step 3

Moved into orange then red. A playtime will be missed.

Step 4

If, whilst on red, further problems occur the child should be sent to the Head Teacher or Deputy Head Teacher, if Head Teacher is unavailable; there should be discussion about the child's inappropriate behaviour leading to the child making an apology / appropriate amends. The child's name should be recorded in **school** behaviour book which is kept in the Head teacher's room

Step 5

If child is recorded as Red the class teacher should speak to the child's parents to inform them of this and discuss a resolution to any issues.

Step 6

If a child's is spoken to by the teacher three times then the child's parents will be contacted by the head teacher to follow up the discussion with the teacher in Step 4.

Following a meeting/discussion with parents, an agreement should be made to monitor the child's behaviour with the options of using a home/school diary, weekly update to parents/school behaviour logbook or regular message via the schools communication system as is appropriate to the situation.

Wherever possible this decision should be reached in conjunction with parent, head teacher and class teacher. This outcome should be noted in writing.

If intervention is to be sought from outside agencies e.g. Behaviour Support

Temporary or permanent exclusion will be used if necessary and the appropriate procedures will be followed.

For more serious incidents involving deliberate physical hurt to other children (kicking, punching, nipping, biting) the Head Teacher, or Deputy Head Teacher, if Head Teacher is unavailable, should be involved. This will be noted on CPOMS but parents may be contacted immediately.

We recognize that the behaviour policy may not be sufficient for all pupils. In such cases individual plans will be drawn up in conjunction with class and head teacher, SENCo and parents to support the child.

As a last resort, it may be necessary to exclude a child. Should this be required, the appropriate advice will be sought from the Local Authority and procedures followed in accordance with such advice.

Troubled children

The school acknowledges that a small minority of children may for whatever reason lack the maturity or self-discipline to make the correct choices available to them in order to control their own behaviour. This may be especially true of children with or being assessed for statements of SEN and those in public care. For these children neither the normal rewards or sanctions procedures may be sufficient to support them or protect other children from their actions.

In these exceptional circumstances the school will make every effort to avoid exclusion. It is vitally important that parents are informed and involved when behaviour targets are agreed in order to establish possible causes and form a partnership of support.

Regular communication between home and school as well as daily feedback to the child regarding progress is essential. This can be achieved through the use of:

- Parental contact via telephone or face to face (for KS1 and less mature KS2 children).
- Behaviour Reports (for KS2).

Behaviour Targets

- Should provide limited (maximum of three) unambiguous and, above all, **achievable** targets for the child's behaviour
- Should provide clear consequences for breaking the agreement e.g. exclusion.

If in doubt, consult a senior teacher.

Daily feedback on progress should be given and targets reviewed fortnightly either:

- to make targets more difficult as behaviour improves,
- to set new areas to tackle or
- to remove completely from report.

Agreed by Governors: November 2024

Review date: November 2025
