We are delighted to have been awarded a whole school prize for our fantastic set of entries created during Spirited Arts Week last June. Each year group worked on collaborative projects. The theme was 'Why do animals matter?' using religious stories, texts and ideas. The gallery image shows a small collage of these, and you can view the full set of entries [here](#).

Thank you to Mrs Lee for leading the project. Well done everyone, including our Year 6 pupils from last year who have now moved into High School.

The Ethos Council will debate and decide how the school should now use the £100 prize.

"My name is Ruth and I'm the leader of the Brownie group that runs on a Wednesday evening 6:15pm-7:30pm at St Andrew's School. I was wondering if you would be interested in helping out once or twice a month, or joining me as a leader. You don't need any experience, an extra pair of hands would be greatly appreciated with whatever you can offer. It will mean that we can offer the opportunity of Brownies to more girls. Please don't hesitate to get in touch for more information about what we do, and to see if this is something you could see yourself doing. Please contact me on 01204 658921, please leave a message and your phone number if no one answers."
