Look for St Andrews OH Primary School

De-

spite the winter weather, WOW continues as a pupil-led initiative where children self-report how they get to school every day using an interactive **WOW Travel Tracker**. If they travel sustainably (walk/wheel, cycle or scoot) once a week for a month, they get rewarded with a badge (see above).

It's that easy!

With the aim of living a healthier lifestyle, both physically and emotionally, as well as considering the benefits to our environment, it is something that we are encouraging but understand that some families live too far for this to be sensibly possible. So for these families, we suggest a Park and Stride system where the St Andrew's Church or could be used or even some of the residential streets that are close to school—with the usual consideration paid to the residents who live there.
